(3) The results of the official Agency tests administered by Clerical Refresher to on-duty Agency clerical employees on 22 October were as follows: One person tested in shorthand did not qualify; of [] people tested in typewriting, [] qualified.

25X1

(4) The Office of Personnel has been requested to "take back" [] clerical employees who were assigned to offices last summer. Probably the Office of Personnel will request this Faculty to provide additional training for these employees, in order to make it possible for them to be reassigned.

25X1

25X1

(5) [] visited [] on 24 October in order to survey the needs for clerical training in shorthand at that post. She discussed tentative plans for a program of self-study in shorthand with the Personnel Officer. Such a program would be followed up by a series of regular monthly visits by a member of the Clerical Training staff to assist employees and to measure their achievements.

(6) As a further attempt to improve the acoustics in the large Clerical Orientation lecture room (Room 501), draperies have been installed on three walls of the room.

F. Management Training

25X1

(1) Basic Supervision #35 for GS 12-14 supervisors began on 28 October. This presentation will continue until 15 November. This senior running of the course has usually been attended chiefly by members from DD/I. This time there are [] from the DD/I, and all but one of the other members are operational or in operations support. This has required some shifting of group sessions and guest speakers. During this course it is planned to continue with recording staff lectures for the Vital Materials program.

25X1

(2) Mr. Gordon Stewart, Director of Personnel, has agreed to talk to a group of first-line supervisors on 19 November in 117 Central. Approximately [] members of supervision courses are being contacted for this follow-up meeting, the second large meeting so far to be scheduled in Central Building for the purpose of bringing together some of the Agency supervisors and some of its members of middle and top management. General Cabell spoke at a similar meeting last April.

(3) Basic Management #38 (GS 13-15) is in its second week of operation in Alcott Hall. This class has been showing unusual perception in the analysis of case studies. It is apparent that much more difficult cases must be devised for the higher grades taking Basic Management.
